

# SRO INDIVIDUAL RESPONSE KIT

REV110917

***Essential medical kit for every School Resource Officer to provide life-saving care to students, faculty and themselves...***

The SRO Crisis Response Kit from North American Rescue is designed to provide the School Resource Officer with the medical products to treat penetrating trauma and severe bleeding as well as equipping them with the tools to perform casualty extraction in austere conditions.

Carrying this kit empowers an SRO to administer self-aid in the event he or she is injured or provide immediate care to injured casualties during a school incident.

The NAR Hasty Harness extraction device is included for the removal of casualties from the point of wounding to an area of safety.
