MEDIC LEG RIG™

COMBAT CASUALTY RESPONSE KIT®

For Tactical Healthcare Professionals needing rapid access to critical equipment for basic to advanced care

This versatile medical kit can be attached using the split-tale connector, PALS/MOLLE style webbing or by fastening to the web/gun belt using the quick weave method. Belt and leg attachment straps can be removed and reattached as needed to allow maximum flexibility during load carriage configuration.

- 500D CORDURA® Berry Amendment Nylon Bag with Ghillie-Tex hardware
- Configurable based on individual skill set & mission requirements
- Rapid access & organization with elastic storage loops & segregated sleeves
- Ambidextrous Trauma Shear storage for quick access
