

NAR® TRACHEAL HOOK

Meets the unique needs of Tactical Healthcare Professionals...

The NAR® Tracheal Hook is designed to meet the specific and unique needs of the Tactical Healthcare Professional when performing surgical cricothyroidotomy. Unlike other tracheal hooks the NAR Tracheal Hook has a unique finger grip that allows you to stabilize and anterior displace the cricoid cartilage while providing maximum access and visualization.

FEATURES/SPECIFICATIONS

- For maximum access & visualization during an emergency cricothyroidotomy
- Stabilizes the cricoid cartilage for anterior displacement
- Unique finger grip design
