

EVERY DAY CARRY WALLET KIT *EDC*

REV092922

The North American Rescue Every Day Carry (EDC) Wallet was designed to provide users with a versatile, concealable, small carrier for essential point of injury medical products. This wallet fits comfortably in a cargo or pant pocket with a slim cube space and weight. Ideal for low visibility carry of trauma care items. Large three inch elastic loops on both inside panels allow users the ultimate flexibility in packing options to meet their needs.

Purchasing options include the Wallet Only as a stand-alone item (with no medical equipment) or Kit options of Wound Packing Gauze or Combat Gauze.

Features include Laser Cut Laminate (LCL) 500D nylon construction for low weight and extreme durability. One size fits all. Non-reflective medical cross on front, two inch wide hook and loop closure to accommodate various packing configurations.

Specifications:

- Durable Laser Cut Laminate nylon construction
- Concealed storage for life-saving medical gear
