

BOLLÉ SENTINEL

TACTICAL GLASSES

The bollé Sentinel Tactical Glasses are certified to MIL-PRF-31013 and ANSI Z87.1-2010, these ballistic sunglasses ensure maximum protection in all circumstances. Thanks to its adjustable bridge, flexible non-slip temples and ultra wrap-around fit, SENTINEL will provide you with comfort and protection.

PLATINUM® ASAF lens coating is a permanent coating on both sides of the lens that provides a high resistance to scratching, and delays the onset of fogging. Certified K&N(EN166) PLATINUM® is resistant against even the most aggressive chemicals.

The innovative CSP coating is an effective solution for all activities that alternate exposure to bright light and low light, while also being suitable for extreme hot and cold temperature environments.
