

BOLLÉ RUSH *Tactical Glasses*

REV080122

The bollé RUSH Tactical Glasses provide a panoramic field of vision and offers a hardcore design thanks the flexible co-injected temple construction. Also ultra-light, RUSH ensures perfect optical quality and ultimate comfort. PLATINUM® ASAF lens coating is a permanent coating on both sides of the lens that provides a high resistance to scratching, and delays the onset of fogging. Certified K&N(EN166) PLATINUM® is resistant against even the most aggressive chemicals.

The innovative CSP coating is an effective solution for all activities that alternate exposure to bright light and low light, while also being suitable for extreme hot and cold temperature environments.
