

# MASS CRISIS INCIDENT KIT

REV110817

40 Individual Aid Kits

## Components in each Individual Aid Kit:

1 Compressed Gauze

1 ETD 4 in. Flat

1 Petrolatum Gauze

1 Pair Nitrile Gloves

1 Roll 1 in. Surgical Tape

## Specifically designed for use by non-medically trained personnel...

The Mass Crisis Incident kit is designed to provide individual aid kits to classrooms, cafeterias, auditoriums, public locations or other areas where a large mass of injured persons are gathered.

Designed to treat bleeding from penetrating and other traumatic injuries, these vacuum packaged & easy-to-open kits feature simple to use items for non-medically trained caregivers to control bleeding and cover penetrating injuries until medically trained responders arrive on scene.

The Mass Crisis Incident kit contains 40 Individual Aid kits packaged in a medium-sized duffel style bag designed to be carried over the shoulder or by hand.

## Features:

- 40 vacuum sealed Individual Aid Kits with items to quickly control moderate bleeding
