Fast Access During The Most Critical Moments

The quick detach panel from North American Rescue allows the operator the fastest access to their kit during the critical moments after wounding.

Utilizing Mil-spec Velcro® and heavy-duty metal snaps to ensure the detachable front panel remains secure in the most austere of conditions, the quick detach panel can be used with any Mil-spec standard Molle/PALS system. Designed to compliment the TORK IFAK, the NAR quick Detach panel can support up to four pounds, and is Berry Amendment Compliant and Made in America. The Quick Detach Panel can be used to support any NAR IFAK, leg rig or chest pouch, and is available in standard military and civilian colors.

Features:

- Gives user faster access to Molle/Pals equipped kits
- Allows any Molle/PALS kit under 4 pounds to be detachable
- Mil-Spec Velcro® and Heavy duty snaps to ensure kit security
- Fits all NAR IFAKs, Leg Rigs and Chest Pouches.
