

MADILLO HELMET *from EDELRID*

REV120120

The first and only foldable climbing helmet on the market!

This legendary, stowable helmet is side/front/back impact tested according to EN 12492. The robust and impact-resistant injection-moulded ABS shell has sides that slide into the top and the back folds in, reducing pack volume by 50%. The detachable, washable padding is comprised of 3 types of foam (EPS, EPP, and EVA) as well as an adjustable chinstrap to deliver optimum safety and comfort.

Features:

- Side/front/back impact tested according to EN 12492
