

# 6 oz MOLLE RETRACTABLE GEAR LEASH

REV101519

***A rotating solution ideal for maintaining positive control of your gear in a tactical environment...***

The 6 oz MOLLE Retractable Gear Leash from North American Rescue is a rotating solution ideal for maintaining positive control of your gear in a tactical environment. Now you can directly connect to MOLLE webbing on a vest/gear bag with this lightweight and highly reliable gear accessory. It's rotating feature helps to preserve and extend the life of the leash and allows smooth extension/retraction in any direction. The retractable lanyard snaps back immediately after use allowing the operator to know where gear is at all times. It is ideal for items up to 6 oz. such as small flashlights, trauma shears, laser pointers and more.
