

# AEGIS ECHO II *Ballistic Glasses with Case*

REV120618

## *Moldable for a Custom Fit...*

AEGIS Echo II Ballistic Glasses are designed for comfort with or without hearing protection. The low profile design fits close to the head reducing pressure from ear pro. Super thin, moldable alloy temples fit cleanly under ear pro without breaking the seal. Pivlock lens interchange system allows for rapid lens exchange. TLT (Tapered Lens Technology) corrects lens distortion. The kit includes both clear & gray lenses that meet US MIL Spec MIL-PRF-31013 & ANSI Z87.1 Standards. Glasses provide 100% protection from UVA/UVB rays and feature anti-fog & scratch resistant coating on all lenses. Kit comes with adjustable elastic securing device, no-fog cloth, and durable black nylon case..
