

GUNSHOT WOUND FIRST AID KIT

REV011918

First Aid Kit designed in conjunction with US LawShield...

The Gunshot Wound First Aid Kit by North American Rescue® was designed in conjunction with US & Texas LawShield to meet the needs of our customers for a compact individual first aid kit that carries all the necessary equipment to address the top leading causes of potentially preventable death due to a gunshot wound. This compact individual first aid kit contains essential life-saving medical equipment that can be used to treat penetrating trauma at the point of wounding. It's sleek, compact size is easy to transport or be stored in a vehicle or backpack until needed. The Gunshot Wound First Aid Kit also features the NAR signature Red-Tip Technology® rapid opener for fast and easy, one-pull tab opening of the kit and convenient exterior attachment points compatible with any standard MOLLE/PALS style connection system.

Features:

- MSRP \$219.00 - Special pricing for members of US LawShield
- Individual First Aid Kit designed in conjunction with US & Texas LawShield
- Essential life-saving tools to address injuries caused by gunshot wounds
- Equipped with point of wounding medical equipment to treat top leading causes of potentially preventable death due to penetrating trauma
