

# OCHO LOW VISIBILITY BACK PACKS

## Ideal Solution for the Operator Who Wants to Remain Undetected in a Potentially Hostile Environment.

Featuring interchangeable aid pouches and hook and loop fields, this low visibility back pack can be fitted for almost any situation.

The bag's hidden pocket, with hook and loop field, allows for customization of holster position as well as allowing access for both the left and right hand shooter without sacrificing any of the bag's functionality.

In order to keep threat of theft to a minimum, the bag is purposely designed to resemble a non-tactical back pack on the outside.

### Features:

- Purposely designed to resemble a non-tactical, off-the-shelf back pack on the outside for the utmost of discretion
- Includes 2 Interchangeable aid pouches
- Includes MP3 player pocket and headphone access
- Hydration capable (hydration bladder not included)
- Customizable holster position (sold separately from Cross Breed Holsters)
- *Medical equipment sold separately*

### Specifications:

- L 19 in. x W 14 in. x D 9 in.
- Weight: 3.9 lb
