

OCHO LOW VISIBILITY SHOULDER BAG

Ideal Solution for the Operator Who Wants to Remain Undetected in a Potentially Hostile Environment.

Featuring interchangeable aid pouches and hook and loop fields, this low visibility shoulder bag can be fitted for almost any situation. The bag's hidden pocket, with hook and loop field, allows for customization of holster position as well as allowing access for both the left and right hand shooter without sacrificing any of the bag's functionality.

In order to keep threat of theft to a minimum, the bag is purposely designed to resemble a non-tactical looking shoulder bag on the outside.

Features:

- Purposely designed to resemble a non-tactical shoulder bag on the outside for the utmost of discretion
- Includes 2 Interchangeable aid pouches
- Hidden pocket with hook and loop field
- Customizable holster position (sold separately from Cross Breed Holsters)
- Cellphone pocket on strap
- *Medical equipment sold separately*

Specifications:

- L 12 in. x W 14 in. x D 6 in.
- Weight: 1.45 lb
