## Hard case Emergency First Aid Kit for Treating Injuries on the Range

Treatment capabilities include penetrating & blast injuries, chest wounds, burns, eye injuries, minor lacerations, sprains and fractures and many other common injuries seen on training and shooting ranges.

Bright orange, water-tight case maintains the integrity of your medical products when you need them most.

Kit contents are arranged in a modular system featuring a rugged storage organizer in the lid and removable nylon pouches with easy-to-read treatment labels in the main compartment.

### Specifications:

- L 9.5 in. x W 13.5 in. x H 6 in.
