## **Purposely designed to look like a Non-Tactical, Accessory-Style Bag...**

The Ocho IFAK from North American Rescue® is a very compact, lo-viz individual first aid kit equipped with a 3 in. belt loop for convenient attachment to your duty/pistol belt.

Though the exterior of this small rip-stop nylon case is purposely designed to look like a non-tactical, accessory-style bag, the Ocho IFAK comes fully loaded with critical medical equipment for point-of-wounding treatment of penetrating, blast or other traumatic injuries.

Life support equipment options include Basic, Basic with Combat Gauze, and Advanced configurations. The clam shell design of the platform features rip stop nylon, interior elastic loop organization and easy to open zipper for rapid access to lifesaving equipment. Ocho IFAK bags are also available for individual purchase.
