

NAR® MINI DUCT TAPE

Versatile, Multi-purpose Tape Roll designed to Fit into any Kit...

NAR® Mini Duct Tape is an industrial grade cloth-backed duct tape that utilizes a high-strength adhesive suitable for use in numerous scenarios. The versatile, multipurpose tape roll provides 100 inches of 2 inch wide tape in a size small enough to fit into any kit. The adhesive is formulated without natural rubber, and is totally latex-free. NAR Mini Duct Tape is the perfect addition to any kit for emergency situations.
