

# PETZL® TACTIKKA +RGB Headlamp

# RESCUE

## Easily Adjustable and Versatile...

Versatile weather-resistant LED headlamp with CONSTANT LIGHTING technology ensuring that brightness remains steady as the batteries are drained.

Suitable for proximity lighting & rapid movement, allowing stealth while preserving night vision. Keeps hands free; may be worn on a helmet, on the head or around the neck. Pushbutton switch is easy to use, even with gloves on.

Washable Headband adjusts easily with buckle for easy donning. Includes 3 AAA/LR03 batteries. Wide range selection of modes and lighting colors to adapt to each situation.

## Features:

- **Ambient Mode:** Wide beam with reduced brightness, avoids blinding others in a group situation and provides a long burn time
- **Close Range Vision Mode:** Mixed beam with wide, uniform flood or 3 colored LED lighting modes (red, green and blue) to remain discreet
- **Movement Mode:** Mixed beam with focused component allows user to move around comfortably
- **Boost Mode:** Temporary access to maximum power, 140 lumens (60 meters)
- **Strobe Mode** for signaling one's presence, accessible at any time
- **Reserve Mode:** Burn time management automatically switches on by signaling with blinking light when batteries are almost drained. Red lighting activates to preserve a minimal amount of lighting

## Dimensions:

- Light Output:  
Min.-5 Lumens
- Max.-120 Lumens (140 Lumens on Boost mode)
- Weight (including batteries): 3 oz
