

# NAR PPE KIT

The NAR PPE Kit is the essential personal protection for anyone who is responsible for indigenous healthcare, detainee processing or disaster response where various hazards and contaminants may be encountered. Our kit features a certified NIOSH N95 disposable face mask and Bear Claw® Nitrile Gloves in a compact lightweight kit. The NAR PPE Kit is supplied in a vacuum sealed, rugged, easy to open package that allows for quick and effective application in the most extreme conditions.

## FEATURES/SPECIFICATIONS

- Certified to the NIOSH N95 standard face mask
- Secure, comfortable fit with adjustable nose bridge and low breathing resistance
- Reduced packaging volume for easy storage
- Supplied with two individually wrapped pairs of Bear Claw® Nitrile Gloves (Size: Large)
