

RESPONDER SHEARS

Get The Job Done And Get It Done Right

Built for safety and efficiency, the NAR® Responder Shears from North American Rescue® let tactical healthcare professionals get the job done, and get it done right. These paramedic shears are made from premium-grade stainless steel. Their serrated lower edge cuts through the toughest materials. Their contoured handles provide maximum control, and the clothing lift lip and rounded tip provide the ultimate in patient safety. These shears are made to meet the challenges of casualty care with precision and dependability. Responder Shears come in two convenient lengths: 6.25 or 7.25 inches.
