

EMERGENCY SURVIVAL WRAP

The Ideal Solution For A Small, Lightweight Survival Wrap

The North American Rescue® Emergency Survival Wrap balances performance, durability and size. The wrap reflects radiant body heat and is constructed of a combination of mylar and a tear resistant polyethylene fabric material.

The wrap is wind and waterproof, further aiding in retaining warmth. The high-visibility, reversible orange and silver color helps rescuers find you during an emergency situation. Available in two reversible color options: Orange & Silver, and OD Green & Silver. The North American Rescue® Emergency Survival Wrap is an essential piece of equipment in a compact package to help maintain body heat.
