

# AEGIS ECHO WITH CASE

*Interchangeable clear & gray lenses with anti-fog, scratch resistant coating.*

## Modable for a Custom Fit...

AEGIS Echo Ballistic glasses designed for comfort with or without hearing protection. Low profile design fits close to the head reducing pressure from ear pro.

Super thin alloy temples fit cleanly under ear pro without breaking the seal. Stainless steel temple arms are moldable for a customized fit. Pivlock lens interchange system allows for rapid lens exchange. Includes clear & gray lenses that meet US MIL Spec MIL-PRF-31013 & ANSI Z87.1 Standards.

Anti-fog & scratch resistant coating on all lenses. 100% protection from UVA/UVB rays. Good for hat sizes 7¼ or larger. Case included.
