

HEAVY DUTY TRAUMA XSHEARS

XSHEAR AND XSHEAR MINI

The XSHEAR® is a heavy duty trauma shear designed to outperform traditional trauma shears in every way. The hardened 3mm thick stainless steel blades have a comfortable grip with slip resistant inner handles. The patented curved design for gentle approach when cutting near skin is hinged by a heavy duty center bolt that will not loosen over time. The razor sharp blades have a serrated lower blade to help cut through tough material with ease.

The XSHEAR® Mini Trauma Shear delivers all the benefits of the XSHEAR's premium cutting performance in a compact, lightweight design
