

NAR FLAT ELASTIC WRAP

4" X 5YD

The North American Rescue® (NAR) Flat Elastic Wrap Bandage is designed to provide a compact, flat packaged Elastic Wrap Bandage to provide and effective compression wrap. Available in 4 in. width, this latex free compression wraps are comfortable to wear for extended periods of time, easy to use, and can be used for effective compression. They provide a moderate level of support, and are ideal for using as a compression wrap, securing hot/cold packs, splinting, sprains, strains, swelling, and general soreness.
