

NAVAL GUN RESPONSE AID KIT

Learn more about this and other **Products with a Mission®** at www.NARescue.com

Designed to meet the rigorous requirements of the U.S. Navy

For first responder emergency care equipment on board U.S. Naval Ships, Military Sealift Command Ships and afloat commercial vessels. Ergo dynamic, low profile casualty response system features 2 removable equipment pouches that attach via hook-&-loop to a lightweight, durable outer bag, thus meeting the requirements for the U.S. Navy's Naval Gun Response Aid Bag.

Two internal pouches are identical & provide rapid access & organization of critical life saving equipment needed to render on-scene care at sea. Constructed of Berry Amendment 500D CORDURA® solution dyed nylon with GhillieTEX™ hardware for near IR signature reduction and sand/ water resistant, self-repairing zippers with silent 550 cord pulls. Both outer bag & 2 inner pouches are securable using antipilferage seals. Slim-line, lightweight kit stores easily on a wall and can be carried over the shoulder or bandolier-style.

Pouches easily fit into the standard Naval First Aid Box (not included)
