

KOBUS ROLLUP WARRANTY AND WARRANTY REGISTRATION

Kohlbrat and Bunz Corporation roll up litters (KOBUS) are warranted for a period of 10 years from the date of manufacture. During this period a litter may be returned KOBUS for inspection with no cost to the customer for inspection. If repair is warranted the customer will only be charged for those items needing replacement to bring the product up to the operational standards set forth by Kohlbrat and Bunz Corporation. A detailed list of available repairs is available on request. All shipping costs are the responsibility of the customer.

The warranty shall not apply to any Kohlbrat and Bunz Corporation product which has been tampered with or altered in any way so as to, solely in Kohlbrat and Bunz Corporation's judgment, affect its safety or efficacy, nor which has been subject to misuse, negligence, or accident. The quality Inspection identification number must be returned with all warranty claims. This Kohlbrat and Bunz Corporation warranty shall not apply to any Kohlbrat and Bunz Corporation product which has been connected or used otherwise, than in accordance with the instructions furnished by Kohlbrat and Bunz Corporation. This warranty is in lieu of all other warranties expressed or implied of all other obligations or liabilities on Kohlbrat and Bunz Corporation's part, and Kohlbrat and Bunz Corporation neither assumes, nor authorizes any representative or other persons to assume for it, any other liability in connection with the sale of Kohlbrat and Bunz Corporation products.

LIMITATIONS ON LIABILITY: Kohlbrat and Bunz Corporation's liability on any claim of any kind, including but not limited to this warranty, for any loss or damage arising out of, connected with, or resulting from the use of this product or from the performance, design, manufacture, sale, delivery, resale, installation, technical direction of installation, inspection, repair, operation or use of any materials covered by or furnished under this warranty shall in no case exceed the cost of correcting any defects in the Products as herein provided.
