

# TRAUMA & FIRST AID KITS (TFAK) - CLASS A

## The workplace First Aid Kits that exceed ANSI/ISEA Z308.1-2021 for Class A...

The TFAK (Trauma and First Aid Kit) - Class A from North American Rescue® is designed as a portable First Aid Kit for the workplace that exceeds ANSI/ISEA Z308.1-2021 Standard for Class A kits. Our kits exceed the ANSI and OSHA standards by adding additional bleeding control elements. Packaged in a convenient zippered nylon bag that is easily transported to the patient's side, this kit offers the ability to treat the most common workplace injuries with the added benefit of being able to control major bleeding with the C-A-T® Tourniquet, the safest and most effective prehospital tourniquet on the market today.

*... With the added benefit of major bleeding control with the safest, most effective tourniquet on the market today!*
