

TCCC SKILLS SET - ALL COMBATANT

The TCCC Skills Set – All Combatant provides the necessary equipment to perform required tasks when training at individual skill stations. Includes all the necessary equipment to instruct up to twenty-five (25) students in the treatment of the leading causes of potentially preventable death in the tactical environment. Contents are packaged in a self-contained, wheeled, rigid case with internal dividers to keep the equipment organized and easy to inventory. Addresses extremity hemorrhage, wound packing, chest seal application, needle chest decompression, basic airway adjuncts, splinting, hypothermia prevention & management, and eye injuries.
