

MOBILE IMMUNIZATION STATION (MIST)

Learn more about this and other *Products with a Mission*® at www.NARescue.com

When you need to go beyond the clinic — into remote areas, training grounds, or austere environments— the Mobile Immunization Station (MIST) evolves into a full field-ready station. Housed in a rugged Pelican® case that doubles as a fold-out work desk, this station keeps your vaccines chilled, your supplies secure, and your workspace organized anywhere.

The MIST includes:

Cold-Chain Compliance: Certified digital data logger for vaccine temperature monitoring; insulated cooler compartment for short-term vaccine transport

Ruggedized Protection: Hard-sided, IP67-rated Pelican case withstands drops, dust, and water

Instant Field Workspace: Flip-open lid transforms into a sturdy writing surface and supply organizer

FEATURES/SPECIFICATIONS

- Speed & Simplicity: From unboxing to first injection in under five minutes
- Versatility: Ideal for fixed sites, pop-up clinics, and remote operations
- Portability: Lightweight, compact, and engineered for rapid deployment
