

GLOW RHINO™ - SPARK MICRO GLOW FOB

SINGLE, 3-PACK, AND 5 PACK

Spark Your Love for the Dark

Glow Rhino™ developed The Spark to fulfill the need to instantly identify your important bag pockets, pouches, and keyrings. The Spark helps you locate exactly what you need when you need it.

No need for solar charging, the Sparks will be glowing all night without electronics, without UV rays, without batteries. Attach them to your most important items you might need access to in the dark.

The Spark is the smallest and most economical of the Glow Fobs. Purchase a 1 or 3 pack in green or blue tritium; or a highly discounted 5 pack with the following colors: green, blue, purple, yellow, and red.

FEATURES/SPECIFICATIONS

- A Zipper Pull for All Occasions
- 1 Cylindrical Tritium Lamp/unit
- Injection Molded Polycarbonate Casing
- Glass Breaker Tip
- Keychain Hole / Lanyard Loop
- Keyring
- Waterproof
