

INDIVIDUAL PATROL OFFICER KIT PLUS (IPOK+)

Compact Hemorrhage Control Kit, with Added Chest Seal Dressing

The Individual Patrol Officer Kit Plus (IPOK+) from North American Rescue® is designed to provide personnel with a cost effective, compact and durable individual hemorrhage control kit to treat bleeding from penetrating and other traumatic injuries. These kits are packaged for small cube space and designed to fit into a BDU pocket, vest pouch, or individual bag, which allows personnel to keep a compact bleeding control kit on their person, where it is needed most. The contents are vacuum sealed in an easy-to-open, rugged, durable package featuring NAR's Red Tip Technology® signature red tear notches.

FEATURES/SPECIFICATIONS

- A cost effective option for an individual hemorrhage control kit
- Compact, vacuum-sealed hemorrhage control kit designed to be carried on your person where it is needed most
- Easy-to-open streamlined kit designed to fit into a BDU pocket, vest pouch, or individual bag
