Be prepared wherever you are

Be prepared wherever you are. The Amphibious Trauma Aid Kit (ATAK) provides the tools to save lives and address injuries ranging from major bleeding trauma and fractures to minor cuts and wound care in a rugged, compact, waterproof solution ideal for the adventure sports and outdoor enthusiast. Designed with input from water safety, wilderness medicine and tactical medical experts, the ATAK's **contents are internally compartmentalized** into treatment categories for rapid and successful management of an injury. The **rugged, waterproof case** makes the ATAK the ideal choice for your vehicle/boating/personal watercraft activities, or if your adventures require an expedition quality first aid kit.
