DERMAQUIK® HOME & FIELD

LARGE 3 PACK

The DermaQuik® Home & Field is a needle-free wound closure solution designed for everyday first aid at home, at work, and outdoors. Featuring a gentle, medical-grade adhesive and a patented mechanical closure system, DermaQuik approximates wound edges and creates skin eversion to support effective wound closure and help minimize scarring. Each device closes wounds up to 1 inch and is designed for easy application without sutures or staples.

Close Wounds in Seconds!
