

TORQ TACTICAL LIGHT

Full Spectrum of Functionality...

The TORQ tactical light from First Light is designed for the military operator seeking performance and durability in a general-purpose lighting tool. Utilizing two-AA batteries, the TORQ features 155 lumens of light, a 320° rotating head and interchangeable side panels allowing customization for a wide range of accessories.

Its construction from proprietary polymers and ergonomically superior design are built for performance and usability in the roughest situations. Featuring First-Light USA's patented finger loop system and mounting options for hands-free use, TORQ lights are built for performance and usability.

Features:

- Right angle tactical light with rotating head and 3 button control panel for one-handed thumb actuation
- Provides White, Red, Green, and Red+Green LED mix for highlighting blood during casualty treatment
- Includes momentary and three intensity levels of constant-on (all output colors)
- Features integrated high intensity white tactical strobe and red/white/green flashing safety beacon
- Provides 155 lumens of maximum white light, 10 hour Runtime on high output
- Interchangeable side panels allow for various mounting applications and additional accessories
- Can be used handheld or hands-free with MOLLE TRS Blade Mount or clipped to vest using steel clip
- Removable finger loop improves retention when using the light handheld
- Lock-out mode prevents accidental illumination

Specifications:

- Output Wavelengths: White, Red, Green, & Red+Green (Blood Highlighting)
- Maximum White Light Output: 155 lumens
- Max Output Runtime: 10 hours (ANSI Tested)
- Power Source: AA Batteries (2)
- Material: Nylon

Dimensions:

- With mount: H 3.9 in. x L 2.6 in. x W 1.3 in.
- Weight (with mount & batteries): 7.1 oz

In the Box:

- 1 x Right angle tactical light with 320° rotating head and 3 button control panel
- 1 x TRS dove tail side panel
- 1 x Steel retention clip side panel
- 1 x Blank side panel
- 1 x MOLLE Tactical Retention System (TRS) Blade Mount
- 1 x AA batteries
