

SOFT LITTER HOLDER

TACEVAC

Easy Loading and Deployment...

The Soft Litter Holder from North American Rescue® provides personnel with a lightweight and low profile nylon pouch that attaches to the back of protective vest. The Soft Litter Holder can hold two (2) NAR QuikLitters or one (1) NAR QuikLitter XL (sold separately) for use during casualty evacuation.

With two hook and loop style closures on the top and bottom of the pouch, the Soft Litter Holder features easy loading and deployment of the litters. The QuikLitters can be self deployed from the bottom closure or buddy deployed from either the top or bottom closure. The Soft Litter Holder MOLLE connects to the back of the vest leaving the front of the vest open for other mission critical equipment.
