

GEAR BAG

Simple, one-compartment design...

The Gear Bag from North American Rescue is a multi-use, simple, one-compartment design to maximize capacity.

A single zipper in a U-shape allows for full access of the large internal compartment. Built with high-grade materials and construction, the Gear Bag is rugged and durable for continued use.

The product has two options for carrying- two handles that secure to each other via a hook and loop closure or a shoulder strap. The Gear Bag is sized to fit a Rescue Task Force Tactical Responder Vest and Ballistic Helmet, but can be used to carry a multitude of items.

Features:

- Single large compartment for maximum capacity and simplicity
- Quality materials and construction for durability and reliability
- Hand and Shoulder carrying options
- Fits a Rescue Task Force Tactical Responder Vest and Ballistic Helmet

Dimensions:

- L 30 in. x W 14 in. x D 14 in.
- Weight: 1.25 lb
