

TRAUMA & FIRST AID KITS - CLASS B

REVI2220

The workplace First Aid Kits that exceed ANSI/ISEA Z308.1-2015 for Class B

The Trauma and First Aid Kits - Class B from North American Rescue are designed as a portable First Aid Kits for the workplace that exceed ANSI/ISEA Z308.1-2015 Standard for Class B kits. Packaged in a convenient zippered nylon bag that is easily transported to the patient's side, these kits offer the ability to treat the most common workplace injuries with the added benefit of being able to control major bleeding with the C-A-T® Tourniquet, the safest and most effective tourniquet on the market today. Also available with QuikClot® Bleeding Control Dressing with hemostatic for rapid control of bleeding! The Class B Kit is equipped with larger quantities of supplies than our Class A kit making it suitable to accommodate larger workplaces.
