M7X Level III+ Ballistic Plate Armor

The M7X Series ballistic plates add critical additional features to other ballistic plate armor on the market. NIJ 0101.06 Certified Level III, the M7X plate has enhanced special threat capability, is positively buoyant, lighter in weight and touts a 7-year warranty. Consisting of an enhanced polyethylene, ceramic and silica combination, the new M7X Series is the latest development that delivers a lightweight M855 and 7.62x39 MSC ballistic solution. The M7X series is the clear choice for those looking for an economical, positively buoyant, NIJ certified advanced threat armor plate under 5 lb. (Shooter Cut).
