Comfortable & lightweight... The clear choice for an economical, multi-strike NIJ certified advanced threat armor plate under 5 lb...

The M7X Series ballistic plates surpass the NIJ 0101.06 Certified Level III standard by providing enhanced special threat capability, positive buoyancy, lighter weight and a 7-year warranty. Consisting of an enhanced polyethylene, ceramic and silica combination, the new M7X Series delivers a lightweight M855* and 7.62x39 MSC ballistic solution. The M7X series is the clear choice for those looking for an economical, positively buoyant, NIJ certified advanced threat armor plate.

Features:

- Protection Type/Threat Level: NIJ III Plus
- Positive Buoyant
- Configuration: Stand-Alone
- Construction: Ceramic/Polyethylene/Composite
- Protective Cover: Polyurethane
- Hit Rating: Multi-Strike
- Model#: DM855 (NIJ Compliance Product List)
- Testing Certification: NIJ 0101.06 & Special Threat Tested
Tested to DEA standards against M855* and 7.62x39 MSC
- Special Threats:
