**HOPE ACADEMY RECEIVES GENEROUS DONATION
FROM NORTH AMERICAN RESCUE**

Greer, SC (April 17, 2008) – North American Rescue Foundation contributed \$200,000 to Hope Academy of Simpsonville, an inclusion-based alternative education school which teaches special needs children side-by-side with typical peers.

Each class of 8-18 students includes 1-2 students with autism or a related disorder. Small, personalized classes encourage eager learning, social responsibility, and character development. North American Rescue Foundation, a significant advocate of autistic children, considers it a privilege to help Hope Academy use practical demonstration to show children that differences are not to be feared.

North American Rescue, Inc., based in Greer, South Carolina, has enjoyed the honor of serving their country, community, and customers for over a decade. By providing innovative casualty care solutions to first responders, health care professionals, and security forces at home and abroad, NAR is leading the fray to decrease preventable death on the battlefield, whether it be a foreign combat zone or the streets of America.
