**NORTH AMERICAN RESCUE NAMED ONE OF SOUTH CAROLINA'S
FASTEST-GROWING COMPANIES OF 2006**

North American Rescue, Inc. (NAR) was named second runner up in the South Carolina's Fastest-Growing Companiessm 2006, sponsored by the South Carolina Chamber of Commerce and Elliot Davis, LLC, the state's leading accounting and business advisory firm.

Each year twenty-five companies throughout South Carolina are recognized for exceptional performance in both employment growth and revenue. North American Rescue was named 3rd Fastest-Growing Company and held the state's leading increase in employment at 367%. NAR is honored by this distinction.

The competition is open to public and private non-governmental entities based in South Carolina who have been operating for at least two full fiscal years and have generated revenues of at least \$3 million in the last year.

“This year's finalists represent an exceptional group of entrepreneurs and business owners,” says South Carolina Chamber of Commerce CEO S. Hunter Howard, Jr. “It is these types of middle market companies that represent the backbone of this state's economy. Without these businesses, we would not be anticipating the bright economic future we see ahead for our state.”

North American Rescue, Inc., based in Greer, South Carolina, has enjoyed the honor of serving their country, community, and customers for over a decade. By providing innovative casualty care solutions to first responders, health care professionals, and security forces at home and abroad, NAR is leading the fray to decrease preventable death on the battlefield, whether it be a foreign combat zone or the streets of America.
