North American Rescue, Inc. teamed up with the Darrell Gwynn Foundation to give 7-year-old Dante Harless a new \$12,000 wheelchair. “We are proud to collaborate with the Darrell Gwynn Foundation in their efforts to help people overcome the challenges faced by those afflicted with spinal cord injuries and other debilitating illnesses,” said Robert Castellani, President and CEO of North American Rescue, Inc. “The North American Rescue Foundation is grateful to be a part of improving the quality of life for someone in need.”

Also present at the ceremony were Robert Rodriguez of the Lonesome Dove Ranch, an affiliate of Operation Comfort, and Peter Allen Johns, a wounded Navy veteran.
