**NORTH AMERICAN RESCUE DONATES \$10,000
TO FISHER HOUSE FOUNDATION**

Greer, S.C. (December 18, 2007) -- North American Rescue Foundation donated \$10,000 to the Fisher House Foundation, “a home away from home” for family members of wounded or ill military personnel.

The goal of the Fisher House Foundation is to enable family members to be close to loved ones during hospitalization for illness or injury. Fisher Houses are strategically located within walking distance of hospitals on 18 military installations and 10 VA medical centers. There are currently 43 houses available with plans to complete 12 more in 2009 and 62 by the end of 2011. Families may stay at Fisher Houses free of charge. To date, families of wounded soldiers who have stayed in Fisher Houses have saved over \$11 million in lodging costs, food and transportation. The houses can typically accommodate from 16 to 42 families.

North American Rescue, Inc., based in Greer, South Carolina, has enjoyed the honor of serving their country, community, and customers for over a decade. By providing innovative casualty care solutions to first responders, health care professionals, and security forces at home and abroad, NAR is leading the fray to decrease preventable death on the battlefield, whether it be a foreign combat zone or the streets of America.
