NORTH AMERICAN RESCUE JOINS VRBPN TO AID DISABLED WORKERS

North American Rescue, Inc. (NAR) recently joined the Vocational Rehabilitation Business Partnership Network (VRBPN), a joint endeavor on the part of the South Carolina Vocational Rehabilitation Department and numerous employers from both the public and private sector.

The mission of VRBPN is to lead the state in disability employment awareness and to specifically address disability-related issues in the workplace. By introducing businesses to the state's most significant employment resource, the VRBPN hopes to bring to light the benefits of hiring disabled individuals. NAR is pleased to be part of such an outstanding enterprise.

North American Rescue, Inc., based in Greer, South Carolina, has enjoyed the honor of serving their country, community, and customers for over a decade. By providing innovative casualty care solutions to first responders, health care professionals, and security forces at home and abroad, NAR is leading the fray to decrease preventable death on the battlefield, whether it be a foreign combat zone or the streets of America.
